

# CameraShine PRO

## Surveillance Cleaning Kits

*Elevate your service, not your technicians*

*Maintain your client's surveillance systems safely from the ground.*

### Before CameraShine:

- ❌ Costs and risks using ladders and lifts
- ❌ Inconsistent and damaging cleaning methods
- ❌ Reduced analytics effectiveness

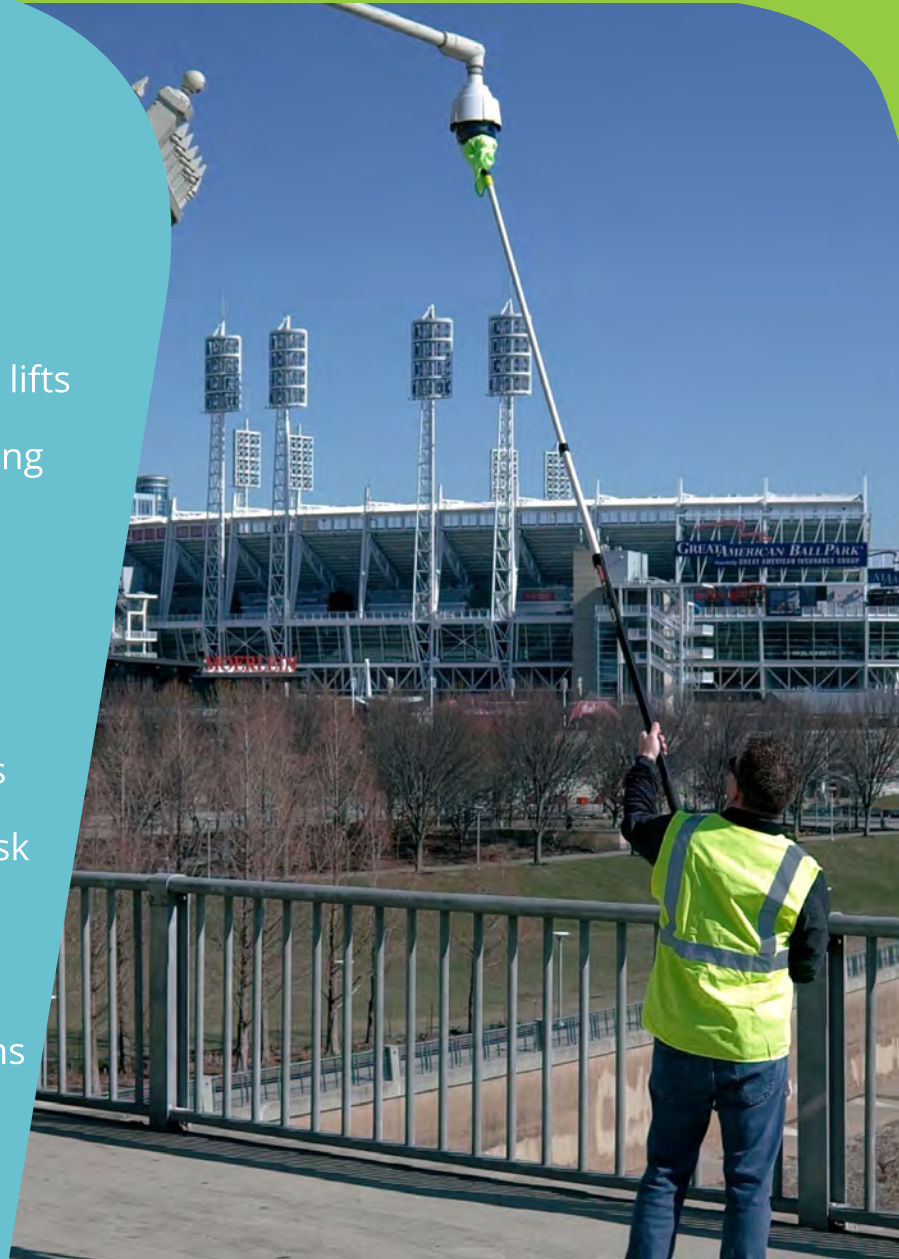

### With CameraShine:

- ✅ Clean any camera in < 30 seconds
- ✅ No ladder or lift = less cost and risk
- ✅ Standardized, patented cleaning tools and methodology
- ✅ Faster service calls and inspections
- ✅ Better client and technician experience
- ✅ Improved analytics performance

*"I love your product and am spreading it around to our data centers throughout the country."*

- Russ Q., Inspection Mgr.,  
M.C. Dean
