Blackjack® NAS™
DW-BJ1NASxT

Digital Watchdog® Now Offers New Storage Solutions

New Blackjack® NAS supports up to 160Mbps throughput and is compatible with Blackjack® Cube or Bolt NVRs or MEGApix® CaaS™ edge cameras

[Digital Watchdog](#) (DW™), the industry leader in digital recorders, surveillance cameras and related management software, announces the launch of our new line of network attached storage (NAS) solutions. The new Blackjack® NAS series, introduced to the market in 1 Hard Drive (HDD) models (2HDD models will be available by the end of Q1), are added storage solutions for any Blackjack® Cube or Bolt NVRs or MEGApix® CaaS™ system. The NAS devices provide additional video storage for more recording days and more cameras to an existing system, while being controlled from a unified DW Spectrum® IPVMS interface.

Blackjack® NAS™ are high-reliability network attached storage options for Blackjack® Cube or Bolt NVRs or MEGApix® CaaS™ cameras. The small and simple to setup devices act as recording backup for existing DW Spectrum® IPVMS systems. Models offer 4-10TB storage and integrate easily into a Blackjack® system with a total of up to 160Mbps throughput, or a MEGApix® CaaS™ system with up to 12 edge camera servers, allowing you to record and backup more days of video without the need for additional video recorders. The Blackjack® NAS™ is seamlessly integrated into the DW Spectrum® IPVMS system, allowing for an instant search and data management. The Blackjack® NAS is backed by Digital Watchdog's unbeatable 5-year limited warranty.

Additional features include:

- Centralize your file storage, sharing and backup with excellent performance
- Expands recording capacity of any MEGApix® CaaS™ camera solution OR Blackjack® Cube or Bolt NVR system
- Add and manage recording for your NAS station directly from the DW Spectrum® IPVMS client software
- Seamless search via the DW Spectrum® IPVMS client, including smart motion search, spyglass and calendar search options.
- Add a NAS station to a MEGApix® CaaS™ network with up to 12 edge cameras

- Add a NAS station to a Blackjack® Cube or Bolt server to quickly expand local storage and backup up to 160Mbps throughput.
- Storage options 4-10TB internal storage
- Linux® embedded OS
- Attractive and slim desktop design to compliment any application
- 5 year warranty
