

For Immediate Release

## New Digital Watchdog® 6 Megapixel Three-Sensor IP Camera Delivers 180° Panoramic Views at 20fps Newest Entry in the MEGApix® PANO™ Family of ROI Accelerators

*MEGApix® PANO™ 6 Megapixel 180° View Bullet Camera (shown with Optional IR Sunshield)*

**Cerritos, CA (October 2, 2017)** – [Digital Watchdog® \(DW™\)](#), the industry leader in digital recorders, surveillance cameras and related management software, is proud to announce our new 6 Megapixel Three-Sensor 180° View MEGApix® PANO™ camera is now available. The new panoramic IP camera is the latest addition to our growing crystal-clear MEGApix® IP camera line, building on our promise to offer user-friendly solutions to match any application.

The MEGApix® PANO™ 6 Megapixel Three-Sensor IP Bullet Camera (DWC-PB6M4T) delivers stunning 180° panoramic video for wide area surveillance at up to 20fps. It is the first multi-sensor panoramic cameras to offer 100-ft. IR through the use of an optional IR Sunshield (DWC-EXTIR100). Our revolutionary technology stitches the three images into a single 180° view. Use DW Spectrum® IPVMS to digitally zoom into the 6 megapixels of resolution and reveal details in live and recorded video (requires one license). The stylish bullet-style housing is easy to install and IP66-rated weather and tampering resistant for indoor and outdoor

applications. The cameras are OnVIF conformant, facilitating their successful integration with any open platform solution on the market.

“We are pleased to introduce this new revolutionary member of our panoramic family of cameras,” said Mark Espenschied, Director of Marketing, Digital Watchdog®. “This new bullet camera allows integrators to easily mount one camera to take the place of three or more camera installations, outdoor or indoors. All of our panoramic cameras represent the most efficient video technology available when used as part of a complete surveillance system.”

Additional features include:

- 3x 2.1MP 1/3" Image Sensor at up to 20fps
