Digital Watchdog® Adds 4 Megapixel Mini Indoor/Outdoor Vandal Dome IP Cameras

New MEGApix® Cameras Offer 4MP Resolution Image Clarity at Real-Time 30fps with a Variety of Lens Options to Match any Application

MEGApix® 4MP Mini Vandal MV7 Models

Cerritos, CA (October 16, 2017) – [Digital Watchdog \(DW™\)](#), the industry leader in digital recorders, surveillance cameras and related management software, announces the release of our new 4 Megapixel Indoor/Outdoor Mini Vandal Dome IP Cameras. The new cameras are the latest additions to the new MEGApix® product line, including models with fixed lenses in a variety of focal lengths.

These MEGApix® IP cameras provide crystal-clear 4 megapixel resolution at real-time 30fps. They offer a choice of 2.8mm, 4.0mm and 6.0mm fixed lens options with image enhancement features such as 120db True WDR, Smart IR™ and Smart DNR™, all in a small IP66, IK10-rated vandal resistant housing. All MEGApix® cameras are ONVIF conformant, assuring their successful integration with any open platform solution on the market. PoE simplifies installation, connecting power and network through a single cable.

“The ability to capture real-time video at 4MP is an example of how new technology can future-proof a surveillance system,” said Mark Espenschied, Director of Marketing, Digital Watchdog. “With so many

Digital Watchdog Press Release

features, including a choice of focal length, and such a small footprint, , these cameras are perfect for any discreet application.”
