Re: DW IP Finder™ Software Update

DW IP Finder™ Software Update

New Software Version: v4.3.7
Previous Software Version: v4.3.5
Release Date: 04/14/2017

New Software Notes:

1. Added support for IP address assigning for DWC-MPTZ30X models.
2. Support camera detection and IP address change in the same subnet for DWC-MTT4Wi36 cameras. If the subnet is different, the camera will be detected but will not support IP address change via the DW IP Finder.
3. Added option to select the network connection when multiple NICs are enabled.
