Date: November 2, 2017  
Re: DW Site Viewer™ for Apple TV Update

## DW Site Viewer™ for Apple TV Update

**New Software Version:** v1.5  
**Current Software Version:** v1.4  
**Release Date:** 11/2/2017

### New Software Notes:

1. Fixed panning issue that was not working on tvOS 11.
2. Improved pulling streams from DW Spectrum® servers to reduce CPU usage on the server.
3. Max channel reduced to 16 from 25 to improve performance. Users can still scroll up and down to view more channels (cameras).

### Software Download Info

Apple TV devices with the application already installed will be updated automatically.

To download the applications, click [here](#).
