Complete DW[®] Solution

CUSTOMER

- Established in 1981.
- Community bank, heavily involved in the communities it serves.
- Serves Northwest Arkansas and Northeast Oklahoma.

CHALLENGE

- Expanding and opening new branches with new security needs.
- The new branch required a surveillance system that is future-proof.
- Needed the ability to monitor locally as well as remotely from the bank's management.

DW[®] SOLUTION

- 8x MEGApix[®] 2.1MP/1080p Snapit™ indoor and vandal dome IP cameras.
- Blackjack[®] Cube™ server.
- DW Spectrum[®] IPVMS.

QUOTABLE

“The main thing I was looking for was ease of use of the recorder for Grand Savings Bank. When I saw that the timeline feature was able to be used without leaving the main screen, that sold me. Not having to

navigate through the software and go through a maze of screens to find what they are looking for has been amazing.” – Don Mee, CEO of BES

ABOUT OUR COMPANY

Founded in 1988, DW® is a leading manufacturer of complete surveillance solutions, offering stunning image quality, advanced hardware capabilities, superior video management, reliable customer support and the lowest total cost of deployment for IP megapixel, Universal HD over Coax® megapixel and legacy analog applications. With offices in Cerritos, California and Tampa, Florida, and manufacturing facilities in Seoul, Korea, DW® is committed to delivering powerful security solutions to its customers worldwide.
