Complete surveillance solution

CUSTOMER

- DITEK surge protection is your first line of defense for video surveillance, fire, networking, communications, intrusion detection, access control and AC power systems.
- Designs and manufactures reliable, durable products in the USA for over 30 years, all backed by a comprehensive warranty.
- Recognized as one of Florida Trend magazine's Suncoast Fast 50 Technology Companies.
- Received the Governor's Business Leadership Award, recognizing the company for its strong record of capital investment, employment growth, community involvement, and civic contributions.
- One of Tampa Bay's top places to work every year since 2010.

CHALLENGE

- DITEK was looking for a recording solution that is elegant and discrete to implement in their showcase room.
- The products presented in the showcase room had to be high-quality products that would amplify DITEK's surge protection solutions.
- DITEK was also in the market to replace some old cameras from a competitor in their manufacturing facility and decided to switch to DW cameras based on their positive experience and DW's video management software.

DW[®] SOLUTION
