QUOTABLE

"The ability to scroll instantly through stored data, highlight specific areas in a frame and view those highlighted areas separately from other recorded data is an exceptional attribute of this software." – John Palmer, partner, Four Feathers Alarm, LLC

ABOUT OUR COMPANY

Founded in 1988, DW® is a leading manufacturer of complete surveillance solutions, offering stunning image quality, advanced hardware capabilities, superior video management, reliable customer support and the lowest total cost of deployment for IP megapixel, Universal HD over Coax® megapixel and legacy analog applications. With offices in Cerritos, California and Tampa, Florida, and manufacturing facilities in Seoul, Korea, DW® is committed to delivering powerful security solutions to its customers worldwide.
