

## DW Spectrum Mobile

View live and playback video from DW Spectrum® IPVMS systems running v2.5 or higher at the touch of your finger.

DW Spectrum® Mobile for iPhone®, iPad® and iPod® devices is a free app that allows users to connect, view and search DW's DW Spectrum® IPVMS solutions running v2.5 or higher anywhere in the world at any time.

This cross-platform architecture updated in version 2.5 offers the same reliable and easy-to-use user experience across all platforms.

To download the app, search 'DW' or 'DW Spectrum' in the Google Play Market or Apple App Store or click either of the links below:
