

MEGApix® 2.1MP/1080p Ultra Low-Profile Vandal Dome IP Camera with 2.8mm Lens and Audio

These MEGApix® IP cameras deliver crystal-clear 2.1MP/1080p resolution images at real-time 30fps and the convenience of audio input through built-in microphone. They offer a 2.8mm fixed lens with image enhancement features such as 120db True WDR, Smart IR™ and Smart DNR™ for quality video in total darkness. The MV7 cameras are an IP64, IK10-rated low-profile, vandal resistant housing. PoE simplifies installation, connecting power and network through a single cable.

DWC-V7DECO Accessory: Set of five (5) white decorative rings for our MEGApix® and Star-Light Plus™ cameras in ultra-low-profile V7 housings (DWC-xV7xxxx) make it easy to customize the look of the cameras for specific applications. Simply paint the rings to match your décor.
