

MEGApix® 2.1MP/1080p Ultra Low-Profile Vandal Dome IP Camera with 2.8mm Lens

MEGApix® 2.1MP network cameras provide real-time 1080p High Definition video at 30fps. Advanced technologies include 50ft Smart IR™ and true Day/Night for clear images in challenging lighting conditions. A built-in Web-Server and user-friendly interface make these cameras easy to use. Power over Ethernet simplifies installation by providing both power and the network connection through a single cable. All cameras are ONVIF conformant, assuring their successful integration with other open platform video surveillance products. Housed in our attractive vandal-resistant aluminum die-cast dome enclosure, these cameras provide the industry-leading benefits of MEGApix® technology at an affordable price.

DWC-V7DECO Accessory: Set of five (5) white decorative rings for our MEGApix® and Star-Light Plus™ cameras in ultra-low-profile V7 housings (DWC-xV7xxxx) make it easy to customize the look of the cameras for specific applications. Simply paint the rings to match your décor.
