

## DWC-D4365T

Our Snapit Indoor Dome D4365T is a high performance camera offering exceptional Wide Dynamic Range, sensitivity to harsh lighting, as well as high resolution imaging with its 1/3" PIXIM Nightwolf CMOS Sensor. PIXIM's technology allows each pixel to self-adjust in the same scene, giving terrific image quality. PIXIM revolutionizes the way video cameras capture and process images. Our simple to install housing series combined with our reliable camera technology series gives you a high quality camera in just a few minutes. All Snapit housings include both a built-in UTP and RS-485.
